Dear Infant/Toddler Families,

The school year is right around the corner and we need to be getting registered for the school year. If you are interested in enrolling your child in our preschool program you need to complete the enrollment and Tuition Express forms and return them to “Simon Says”. The enrollment form is completed online. Once these documents have been received we will agree upon a date to pull the registration fee and deposit (one week of tuition) out of your registered account. You will have 30 days after enrollment to complete the Immunization and the Over the Counter Forms (all other forms due before the first day of school). Payments for your monthly tuition will be automatically taken from your account on the date you request. **Before you fill out the online enrollment form, please call for the Fall start date.**

Please be patient, because many new children may be starting on that same day. Bring your child in and try to get them involved in one of the many activities. Please allow at least 15-20 minutes for your child to adjust and with the teachers O.K. you may leave. If your child is comfortable go ahead and leave, if your child is having problems separating please use the teacher’s guidance and they will address the issue.
